

Mock Interviews at La Casa

A night of mock interviews and tips to help you ace your next job or internship interview!

A mock interview, also known as a practice interview, is a simulation of an actual job interview. It provides you with an opportunity to practice for an interview and receive feedback from experts.

What to Expect

You will be matched with volunteers who will model up to 3 real interview experiences. You will be presented with difficult questions and tips to develop your interview readiness, improve communication skills and reduce your stress before an actual job interview.

How to Prepare

- gather interview tips;
- dress in professional attire;
- bring hard copies of your resume; and
- bring copy of job description for which you would like to apply
